

2020-2021 Training Allocation

- Training applications were open throughout July-August 2020 and were approved at the Sept 2020 CMTO Board meeting.
- Applications for training were received from 58 stations, a slight increase on last year.
- 29% of applicants had not hosted CMTO training before (24% in 2019)
- Applications were scored according to the NTP priorities, with an additional priority given if they had not received CMTO training before.
- 97% of stations that applied were allocated either a Certificate Course or pathways courses.
- A range of additional special projects with Sector bodies including Vision Australia, RPHA, CBAA, FNMA and NEMBC have also been allocated training places in this round.
- A range of Leadership and Enterprise mentoring projects, online courses and sector-wide seminars aimed at station management and board members have also been allocated training places in this round.
